TRUSTEES' REPORT

FOR THE YEAR ENDED 31 AUGUST 2017

The Trustees present their annual report together with the accounts and independent auditor's report of the Charitable Company for the period 1 September 2016 to 31 August 2017. The annual report serves the purposes of both a Trustees' report, and a directors' report under company law.

The Trust operates an academy for pupils aged 11 to 16 serving a catchment area in Droylsden, a town in Greater Manchester to the east of Manchester city centre. It has a pupil capacity of 900 and had a roll of 859 in the School Census on 1 October 2016.

Structure, governance and management

Constitution

The Academy Trust is a company limited by guarantee and an exempt charity. The Charitable Company's memorandum and articles of association are the primary governing documents of the Academy Trust.

The Trustees of Droylsden Academy are also the directors of the Charitable Company for the purposes of company law. The Charitable Company is known as Droylsden Academy. Details of the Trustees who served during the year are included in the Reference and Administrative Details on page 1.

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the Charitable Company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Trustees' indemnities

The Companies Act 2006 s236 requires disclosure concerning qualifying third party indemnity provisions. Indemnity cover for trustee's in 2016/17 was £2,000,000.

Method of recruitment and appointment or election of Trustees

The Trustees of the Academy Trust shall comprise not less than 3 persons, but shall not be subject to a maximum. The Academy Trust shall have the following Trustees:

- · up to 11 Sponsor Trustees, appointed by the Principal Sponsor;
- · 1 Local Authority Trustee if appointed;
- 1 Parent Trustee elected by parents of registered pupils at the Academy;
- 1 Staff Trustee elected by the staff at the Academy;
- · the Principal (Headteacher) appointed by the Academy Trust;
- · any Trustees appointed by the Secretary of State;
- up to 3 Co-opted Trustees, a person who is appointed to be a Trustee by being co-opted by Trustees
 who have not themselves been so appointed.

Each of the persons entitled to appoint Trustees above shall have the right, from time to time by written notice delivered to the office, to remove any member appointed by them and to appoint a replacement member to fill a vacancy whether resulting from such removal or otherwise.

The term of office for any Trustee shall be 4 years, save that this time limit shall not apply to either the Headteacher or Principal Sponsor (during any period that the Principal Sponsor is a Trustee). Subject to remaining eligible to be a particular type of Trustee, any Trustee may be re-appointed or re-elected.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

Policies and procedures adopted for the induction and training of Trustees

The training and induction provided for new Trustees will depend on their existing experience. All new Trustees will be given a tour of the Academy and the chance to meet with staff and students. Trustees will be provided with copies of relevant documents that they will need to undertake their role as Trustees, including the Governors' Handbook, which is produced annually and contains key details on the governance arrangements of the Academy. Inductions will be tailored specifically to the individual. Training sessions offered by the local authority are advised to Trustees and sessions attended are on an individual basis according to need.

Organisational structure

The organisational structure consists of the Trustees and the Senior Leadership Team. The aim of the organisational structure is to devolve responsibility and encourage involvement in decision-making at all levels.

The Trustees are responsible for setting general policy; adopting an annual plan and budget; monitoring the Academy's progress; making major decisions about the direction of the Academy; authorising capital expenditure and appointing senior staff.

The Senior Leadership Team currently comprises the Executive Headteacher, Headteacher, three Deputy Headteachers, an Assistant Headteacher, an Associate Assistant Headteacher, a Senior Leader, a Business Manager (0.4 FTE) and a Support Staff and Student Services Manager (0.8 FTE). The Senior Leadership Team control the Academy at an executive level, implementing the policies and budget authorised by Trustees and reporting on Academy performance. The Headteacher undertakes the role of Principal and Accounting Officer.

The Executive Headteacher is contracted with the Academy for 2.5 days per week, taking on a similar role at Mossley Hollins High School, a community secondary school within the local authority area. The Executive Head teacher's role includes head of strategy and partnerships.

In 2016/17 the Board of Trustees operated the following committees:

Discipline Committee

Pupil exclusions.

Finance and Premises Committee (from March 2016)

Finance, audit, risk management, premises, health and safety and personnel.

Remuneration Committee

Remuneration of the Executive Headteacher, Headteacher and Clerk..

Arrangements for setting pay and remuneration of key management personnel

Responsibility for determining the remuneration of the Executive Headteacher, Headteacher and Clerk lies with the Remuneration Committee. Remuneration of all other (teaching) senior staff is in accordance with the Academy's Pay Policy (broadly similar to that agreed between Tameside Metropolitan Borough Council (TMBC) and relevant trade unions) and includes a rigorous annual performance appraisal. Senior support staff are remunerated in accordance with the support staff pay policy, also agreed between TMBC and relevant trade unions.

Related parties and other connected charities and organisations

The Academy Trust works closely with its principal sponsor, Tameside College on a range of matters including advocacy, curriculum development and quality assurance. The Academy Trust also works closely with the Department for Education (DfE) and Tameside Metropolitan Borough Council (TMBC). Through the Executive Headteacher, the Academy enjoys close links with Mossley Hollins High School (a community secondary school), a school that has been judged outstanding at its last two OFSTED inspections.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2017

Objectives and activities

Objects and aims

The principal activity of the Academy is to advance for the public benefit education in the United Kingdom, in particular, but without prejudice to the generality of the foregoing, by establishing, maintaining, carrying on, managing and developing a school offering a broad curriculum, with a strong emphasis on, but in no way limited to Mathematics and Technology.

The Academy is now working hard to fully embed its new school values 'Politeness, Hard Work and Honesty'.

Droylsden Academy is a significant community landmark providing a range of services to local people and promoting the regeneration of the Droylsden community. It is a state of the art building with presence. It is airy, spacious and a daily inspiration to all users and visitors alike. However, over the last four academic years, investment was made to ensure that some of the open learning spaces that were not conducive to effective teaching and learning were improved and updated. This included the building of walls and ceilings so that open classrooms were closed in hence improving the learning space. The Academy will be highly regarded for its cutting edge provision and known locally, nationally and internationally for the excellence of the all-round education it provides. It will offer the young people of Droylsden real and tangible opportunities to follow learning routes that will genuinely transform their lives. It will, in every case, deliver the outcomes of Every Child Matters and will extend the outcomes so that in Droylsden Academy Every Person Matters and everyone's contribution is valued equally.

The key to the Academy's success will be the development of a shared vision, effective and transformational leadership and management, robust partnership arrangements, innovative and creative teaching, dynamic curriculum and assessment methods, first class buildings and facilities, and the freedom to operate within an agreed framework as part of the Tameside Campus.

Objectives, strategies and activities

2016/17 was the eighth year of operation for Droylsden Academy. Within the context of a slightly lower prior attaining Year 11 cohort than the national average and with significantly more students from disadvantaged backgrounds than the national average, key objectives were to:

- improve the quality of teaching and learning so that least 75% is judged as typically good or better by end of academic year 2016/17;
- increase the percentage of students achieving A*-C (grade 4-9) in both English and Maths (BASICS) to 60%.
- achieve a Progress 8 score of +0.1 and an Attainment 8 score of D+;
- · high prior attaining students' Progress 8 to be 0 and an Attainment 8 of B-
- achieve a student attendance equivalent to the national average (2015/16) of 94.7% by July 2017;
- further enhance the culture for learning, especially for SEND students and the least advantaged;
- continue to develop strong partnerships with local primary and secondary schools and the local community and see Year 7 enrolments for 2017 reach 180

Public benefit

The Trustees have complied with their duty to have due regard to the guidance on public benefit issued by the Charity Commission in exercising their powers and duties.

The Academy continues as a non-selective school, drawing students mainly from the Droylsden community.

The Trustees have encouraged and arranged the letting of the Academy's facilities outside school hours to community groups and other users. The main auditorium, sports hall, multi-use games area and all weather pitch are in high demand. The Academy's facilities are let at different rates, ranging from those that cover the cost of use for some community groups to commercial rates for other users. In exceptional circumstances the Academy has waived fees for appropriate community groups.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

Strategic report

Achievements and performance

The main achievements of the Academy during the period ended 31 August 2017 are summarised below:

- improving the attainment of students, with 55% achieving grade 4 or above in English and Maths
- almost meeting the national average for students achieving grade 5 or above in English and Maths (35%) and achieving the national average of 19% receiving the EBacc at grade 5/C or above
- · sustained strong performance in English Literature and English Language
- closing the gap in progress and attainment between non disadvantaged students and disadvantaged students (gains made in the progress and attainment of SEND and Pupil Premium students)
- improving the teaching typicality profile with more teaching now judged as good or better. Typically inadequate teaching has been eradicated;
- · securing (mostly) accurate teacher predictions for the third year in row;
- responded to a falling roll (and therefore income) through managing costs and restructuring support staff. A target has been set to achieve a balanced budget for the 2018/19 academic year. In-year savings reduced the planned budget deficit for 2016/17;
- improved community engagement. The Academy has served as the main venue for strategic community events, hosted events for public bodies, schools, colleges and local people. Its range of sports facilities available for use by the local community include playing fields, sports hall, multi-use games area and all weather pitch;
- improved its standing in the community. The Academy has focussed on developing partnerships with local primary schools and with Clarendon Sixth Form College. Year 7 enrolments for 2017 (Class of 2022) have reached the maximum of 180 and exceeded the target of 165 170.
- Written and launched a bold 2-year Academy Improvement Plan (2017 2019) with 5 key Priorities.

Key performance indicators

On 14th and 15th September 2017 a full inspection of the Academy took place. The outcome was :

Overall effectiveness: Good

Quality, of teaching, learning and assessment: Good Personal development, behaviour and welfare: Good

Outcome for pupils : Good

Her Maiesties Inspector reported that :

"Staff, pupils and parents are fulsome in their praise for the good quality education that the school provides"

"Pupils achieve well because leaders at all levels have high expectations and lead by example"

"The schools core values of politeness, hard work and honesty are in abundance"

"The quality of teaching is good. It is typically interesting, engaging and suitably challenging"

"Pupils are interested in their learning, because teachers have excellent subject knowledge and plan carefully. Teachers quickly set the tone for learning which helps pupils focus and be successful learners"

"Pupils make good progress across a range of subjects including English and maths"

"The most able pupils are well challenged in their learning. The Excel curriculum allows them to make rapid gains in their learning"

"Pupils behave well. They are proud of their school and take on leadership roles readily"

"The behaviour of pupils is good, they are typically polite, well-mannered and considerate"

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

Going concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason the Board of Trustees continues to adopt the going concern basis in preparing the accounts. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Financial review

Most of the Academy's income is obtained from the ESFA in the form of recurrent grants, the use of which is restricted to particular purposes. The grants received from the ESFA during the year ended 31 August 2017 and the associated expenditure are shown as restricted funds in the Statement of Financial Activities.

During the year ended 31 August 2017, total expenditure of £5,773,854(excluding depreciation) was covered by recurrent grant funding from the DfE together with other incoming resources and brought forward GAG funding. The deficit of income over expenditure for the year (excluding restricted fixed asset funds) was £433,320.

During the year improved purchasing procedures contributed to a reduced budget overspend. A long term financial plan was prepared which will enable the academy to achieve a balanced budget in 2018/19.

All assets were used exclusively for providing education and the associated support services to the pupils of the Academy.

Employees of the Academy are entitled to be members of the Teachers' Pension Scheme or the Local Government Pension Scheme (LGPS). An actuarial valuation of the LGPS showed that, as at 31 August 2017, the scheme had a deficit of £371,000.

The Academy does not have an obligation to settle this liability immediately and there are no indications that it will crystallise in the foreseeable future. Parliament has agreed, as the request of the Secretary of State for Education, to a guarantee that, in the event of Academy closure, outstanding local government pension scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

The Academy Trust held fund balances at 31 August 2017 represented in the Statement of Financial Activities and Balance sheet of £28,579,617.

Reserves policy

The Trustees review the reserve levels of the Academy annually. This review encompasses the nature of income and expenditure streams, the need to match income with commitments and the nature of reserves.

Unrestricted income funds of £366,371 represent those resources which may be used towards meeting any of the charitable objects of the Academy at the discretion of the Trustees.

TRUSTEES' REPORT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

Investment policy and powers

Droylsden Academy Trust currently has a treasury management policy approved by the Governing Body encompassing current account, reserves and the Endowment fund. Cash flow and current account balances are monitored regularly to ensure immediate financial commitments can be met and that the current account has adequate balances to meet forthcoming commitments. The current policy allows investments to be made according to specified criteria such as credit rating, maximum value of deposit with any one institution and term of investment. The Endowment fund is invested according to the same criteria.

Principal risks and uncertainties

Trustees have assessed the major risks to which the Academy is exposed. Key risks identified and plans for managing these risks include:

- student progress and examination results improving the quality and teaching and learning and creating a strong culture for learning;
- stakeholder perception, reputation and competition engaging with parents and establishing formal partnerships with local primary schools;
- falling pupil numbers and reduced income managing costs, with a focus on ensuring Academy's staffing complement is commensurate with student numbers
- recruitment and retention of quality staff operating a flexible Pay Policy, providing development opportunities and awarding additional responsibilities to incentivise both recruitment and retention.

The Trustees continue to review Academy's policies and their implementation.

Financial and risk management objectives and policies

Management and Trustees identify, assess and mitigate risk for the Academy through the risk register in management and Trustees' meetings. A revised risk register was introduced in September 2016. It is updated regularly and reviewed each term by the Finance and Premises Committee.

Plans for future periods

The Academy will strive to ensure that all students are able to realise their potential in both academic and non-academic terms. A bold two-year Academy Improvement Plan (2017 – 2019) with 5 key priorities: has been written and launched. Priorities for the future identified in the Academy Improvement Plan, include:

Priority 1:

The Class of 2018 (year 11) are successful against their targets [in progress, attainment, attendance, behaviour and in transition to post-16]

Priority 2:

Improving teaching, learning and the student experience in the classroom

Priority 3:

Securing good or better leadership at all levels

Priority 4:

Improving learning, teaching and the student experience beyond the classroom

Priority 5:

Improving partnerships, transition and finance to secure a strong future for the Academy

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2017

Auditor

In so far as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Moore and Smalley LLP were appointed the Academy's external auditors in May 2017 for a period of three years, with the option of extending by a further two years subject to satisfactory performance.

The Trustees' report, incorporating a strategic report, was approved by order of the Board of Trustees, as the company directors, on 14 December 2017 and signed on its behalf by:

Mr L Dowd

Chair of Trustees

GOVERNANCE STATEMENT

FOR THE YEAR ENDED 31 AUGUST 2017

Scope of responsibility

As Trustees we acknowledge we have overall responsibility for ensuring that Droylsden Academy has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Trustees has delegated the day-to-day responsibility to the Headteacher, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the Funding Agreement between Droylsden Academy and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board of Trustees has formally met 7 times during the year. Attendance during the year at meetings of the Board of Trustees was as follows:

Trustees	Meetings attended	Out of possible
Mr L Dowd (Chair of Trustees)	7	7
Mr P J Wilson (Headteacher and Accounting Officer)	7	7
Mr J Lyne	6	7
Mrs H Daly (Resigned 30 March 2017)	2	4
Mr J Rogers	7	7
Ms C Williams (Resigned 31 December 2016)	3	3
Mrs L French	7	7
Miss A Kaur (Resigned 9 March 2017)	1	4
Mr N Mohandas	3	7
Mrs J V Moores	7	7
Mr S Jackson (Appointed 7 February 2017)	3	4
Mrs C Lloyd (Appointed 17 May 2017)	2	2

During the year both the Staff Trustee and Parent Trustees resigned (for unrelated reasons); prompt elections ensured successors were quickly in post. In addition, a Sponsor Trustee resigned following a change in personal circumstances.

The Board of Trustees assesses the effectiveness of every meeting and identifies emerging risks so that appropriate responses are made. The Board of Trustees also reviews annually its governance arrangements. As part of this, individual committees review their terms of reference and their compliance with them. These are reported to the Board of Trustees and changes to committee terms of reference made as appropriate.

The Board of Trustees has acknowledged its small size which, in the past had led to difficulties faced when trying to convene Discipline Committee meetings at short notice. It also had expressed a desire to develop strategic links with Mossley Hollins High School. To this end, an additional Sponsor Trustee was appointed on 16 October 2017, who is also a Governor of Mossley Hollins High School.

The Board of Trustees receives a variety of high quality reports from the Senior Leadership Team including, finance, student progress, curriculum and the quality of teaching and learning. Where information is lacking or felt could be presented more clearly, this is fed-back to the manager concerned at the time of the meeting, so that future reports meet Trustees' requirements.

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

The Finance and Premises Committee comprised five members: L French is the Vice Principal Resources at Tameside College and is CIMA qualified. J Lyne is a Practice Manager for two NHS medical centres and is AAT qualified. N Mohandas is both ICAEW and CIMA qualified by experience and is a member of the Chartered Financial Analyst (CFA) Society. J Rogers was a former Headteacher of a local primary school for 20 + years and had full delegated management of the school budget. He was a National College Early Years Consultant and advised and mentored leaders of children centres in financial management. He also mentored and supported new local authority headteachers in financial management. P Wilson is the Academy's accounting officer.

The Finance and Premises Committee has responsibility for financial planning, audit, risk management, premises and staff pay. During the year the Committee: (i) considered the Independent Review of Systems and Procedures, draft findings of the external audit and draft Report and Financial Statements; (ii) monitored action taken to address audit recommendations; and, (iii) monitored performance against the budget during 2016/17; (iv) considered and recommended a draft budget for 2017/18; (v) considered and recommended a pay award for the Academy's support staff; (vi) considered annual reports on estates and Academy lettings; and approved a tender process for capital works required at the Academy; (vii) undertaken tours of the Academy to check new building work and areas needing improvement; (viii) approved a Risk Management Policy and Strategy and reviewed the Academy's risk management activities (ix) approved a range of relevant policies and tenders (including a tender for the audit function).

Attendance at Finance and Premises Committee meetings in the year was as follows:

Trustees	Meetings attended	Out of possible
Mr P J Wilson (Headteacher and Accounting Officer)	7	7
Mr J Lyne	3	7
Mr J Rogers	7	7
Mrs L French	7	7
Mr N Mohandas	5	7

Review of value for money

As Accounting Officer the Headteacher has responsibility for ensuring that the Academy Trust delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Academy Trust's use of its resources has provided good value for money during each academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data where available. The Accounting Officer for the Academy Trust has delivered improved value for money during the year by:

- delivering broadly similar results to 2015, with 52% of Year 11 students securing 5A*-C (including English and Maths) GCSEs, despite the cohort having significantly lower prior attainment;
- the Year 11 students making expected (3 levels) progress and better than expected (4 levels) progress in both English and Maths that was higher than the national average for 2015;
- a careful reform and restructure of the Learning Support Faculty, whereby the Academy was able to make significant savings without any compromise to standards for SEND students;
- a service redesign of the Academy's support staff that helped reduced the planned deficit in 2016/17 by £224k.
- · improvement to the quality of teaching and learning as evidenced by teaching typicality.
- overall improvement to the academy as evidenced by OFSTED rating of "Good"
- shared deployment of support staff with Mossley Hollins contributing to improved support service.
- · significant savings achieved in contracts for payroll and reprographics

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

The purpose of the system of internal control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of Academy Trust policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Droylsden Academy for the period 1 September 2016 to 31 August 2017 and up to the date of approval of the annual report and accounts.

Capacity to handle risk

The Board of Trustees has reviewed the key risks to which the Academy Trust is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the Academy Trust's significant risks that has been in place for the period 1 September 2016 to 31 August 2017 and up to the date of approval of the annual report and accounts. This process is regularly reviewed by the Board of Trustees.

The risk and control framework

The Academy Trust's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees;
- regular reviews by the Finance and Premises Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- · delegation of authority and segregation of duties;
- · identification and management of risks.

The Board of Trustees has considered the need for a specific internal audit function and has decided to appoint MHA Moore and Smalley to provide a supplementary programme of work to assist with the Committee's responsibilities in providing assurance over the suitability of, and compliance with, its financial systems and operational controls. MHA Moore and Smalley carry out this function in addition to their role as the Academy's external auditor.

During the year Moore and Smalley have undertaken a programme of work covering bank and cash, purchase and expenses, income and payroll. The reports detailed a small number of low level risks.

Review of effectiveness

As accounting officer the Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- · independent reviews of systems and procedures;
- · the work of the external auditor;
- the work of the executive managers within the Academy Trust who have responsibility for the development and maintenance of the internal control framework.

GOVERNANCE STATEMENT (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance and Premises Committee/Audit Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Approved by order of the Board of Trustees on 14 December 2017 and signed on its behalf by:

Mr L Dowd

Chair of Trustees

Mr P J Wilson

Headteacher and Accounting Officer

STATEMENT OF REGULARITY, PROPRIETY AND COMPLIANCE FOR THE YEAR ENDED 31 AUGUST 2017

As accounting officer of Droylsden Academy I have considered my responsibility to notify the Academy Trust Board of Trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with ESFA terms and conditions of funding, under the funding agreement in place between the Academy Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2016.

I confirm that I and the Academy Trust's Board of Trustees are able to identify any material irregular or improper use of funds by the Academy Trust, or material non-compliance with the terms and conditions of funding under the Academy Trust's funding agreement and the Academies Financial Handbook 2016.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Trustees and ESFA.

Mr P J Wilson Accounting Officer

14 December 2017

STATEMENT OF TRUSTEES' RESPONSIBILITIES FOR THE YEAR ENDED 31 AUGUST 2017

The trustees (who also act as governors for Droylsden Academy and are also the directors of Droylsden Academy for the purposes of company law) are responsible for preparing the Trustees' Report and the accounts in accordance with the Annual Accounts Direction issued by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare accounts for each financial year. Under company law the Trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period.

In preparing these accounts, the Trustees are required to:

- · select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017;
- · make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring that grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of accounts may differ from legislation in other jurisdictions.

Approved by order of the Board of Trustees on 14 December 2017 and signed on its behalf by:

Mr L Dowd

Chair of Trustees

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DROYLSDEN ACADEMY

Opinion

We have audited the accounts of Droylsden Academy for the year ended 31 August 2017 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the notes to the accounts, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice), the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017 issued by the Education and Skills Funding Agency.

In our opinion the accounts:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2017 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice:
- have been prepared in accordance with the requirements of the Companies Act 2006; and
- have been prepared in accordance with the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the accounts' section of our report. We are independent of the Academy Trust in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the accounts is not appropriate; or
- the Trustees have not disclosed in the accounts any identified material uncertainties that may cast significant doubt about the Academy Trust's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the accounts are authorised for issue.

Other information

The other information comprises the information included in the annual report, other than the accounts and our auditor's report thereon. The Trustees are responsible for the other information. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DROYLSDEN ACADEMY (CONTINUED)

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the Trustees' Report including the incorporated strategic report for the financial vear for which the accounts are prepared is consistent with the accounts; and
- the Trustees' Report including the incorporated strategic report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Academy Trust and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report, including the incorporated strategic report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the Statement of Trustees' Responsibilities, the Trustees are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the Trustees are responsible for assessing the Academy Trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at: http://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DROYLSDEN ACADEMY (CONTINUED)

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO DROYLSDEN ACADEMY AND THE EDUCATION AND SKILLS FUNDING AGENCY

In accordance with the terms of our engagement letter dated 15 November 2016 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2016 to 2017, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Droylsden Academy during the period 1 September 2016 to 31 August 2017 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Droylsden Academy and ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to the Droylsden Academy and ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Droylsden Academy and ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Droylsden Academy's accounting officer and the reporting accountant

The accounting officer is responsible, under the requirements of Droylsden Academy's funding agreement with the Secretary of State for Education dated 8 May 2009 and the Academies Financial Handbook, extant from 1 September 2016, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance, and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2016 to 2017. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the period 1 September 2016 to 31 August 2017 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2016 to 2017 issued by ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy Trust's income and expenditure.

The work undertaken to draw to our conclusion includes an evaluation of the control environment of the School together with enquiry, analytical review and substantive testing of transactions.

INDEPENDENT REPORTING ACCOUNTANT'S ASSURANCE REPORT ON REGULARITY TO DROYLSDEN ACADEMY AND THE EDUCATION AND SKILLS FUNDING AGENCY (CONTINUED)

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the period 1 September 2016 to 31 August 2017 has not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2017

1 Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation

The accounts of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2016 to 2017 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Droylsden Academy meets the definition of a public benefit entity under FRS 102.

1.2 Going concern

The Trustees assess whether the use of going concern is appropriate, ie whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charitable company to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the accounts and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern. Thus they continue to adopt the going concern basis of accounting in preparing the accounts.

1.3 Income

All incoming resources are recognised when the Academy Trust has entitlement to the funds, the receipt is probable and the amount can be measured reliably.

Grants receivable

Grants are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of meeting any performance-related conditions there is not unconditional entitlement to the income and its recognition is deferred and included in creditors as deferred income until the performance-related conditions are met. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the statement of financial activities in the period for which it is receivable, and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised in full when there is an unconditional entitlement to the grant. Unspent amounts of capital grants are reflected in the balance sheet in the restricted fixed asset fund. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended.

Sponsorship income

Sponsorship income provided to the Academy Trust which amounts to a donation is recognised in the statement of financial activities in the period in which it is receivable (where there are no performance-related conditions), where the receipt is probable and it can be measured reliably.

Donations

Donations are recognised on a receivable basis (where there are no performance-related conditions) where the receipt is probable and the amount can be reliably measured.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2017

1 Accounting policies

(Continued)

Other income

Other income, including the hire of facilities, is recognised in the period it is receivable and to the extent the Academy Trust has provided the goods or services.

Donated goods, facilities and services

Goods donated for resale are included at fair value, being the expected proceeds from sale less the expected costs of sale. If it is practical to assess the fair value at receipt, it is recognised in stock and 'Income from other trading activities'. Upon sale, the value of the stock is charged against 'Income from other trading activities' and the proceeds are recognised as 'Income from other trading activities'. Where it is impractical to fair value the items due to the volume of low value items they are not recognised in the financial statements until they are sold. This income is recognised within 'Income from other trading activities'.

Donated fixed assets

Donated fixed assets are measured at fair value unless it is impractical to measure this reliably, in which case the cost of the item to the donor is used. The gain is recognised as income from donations and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the Academy Trust's accounting policies.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

All resources expended are inclusive of irrecoverable VAT.

Expenditure on raising funds

This includes all expenditure incurred by the Academy Trust to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Charitable activities

These are costs incurred on the Academy Trust's educational operations, including support costs and costs relating to the governance of the Academy Trust apportioned to charitable activities.

Governance costs

These include the costs attributable to the Academy Trust's compliance with constitutional and statutory requirements, including audit, strategic management, Trustees' meetings and reimbursed expenses.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2017

1 Accounting policies

(Continued)

1.5 Tangible fixed assets and depreciation

Assets costing £1,000 or more are capitalised as tangible fixed assets and are carried at cost, net of depreciation and any provision for impairment.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the government or from the private sector, they are included in the balance sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding that require the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the statement of financial activities and carried forward in the balance sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the statement of financial activities. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of each asset on a straight-line/] basis over its expected useful life, as follows:

Long leasehold buildings
Fixtures, fittings & equipment

40 years 7 years

Computer equipment 5 years

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the statement of financial activities.

1.6 Liabilities

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy Trust anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods of services it must provide.

1.7 Leasing and hire purchase commitments

Rentals payable under operating leases are charged against income on a straight line basis over the period of the lease.

1.8 Investments

Current asset investments are stated at market value.

1.9 Financial instruments

The Academy Trust only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Academy Trust and their measurement basis are as follows.

Financial assets

Trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments.

Cash at bank is classified as a basic financial instrument and is measured at face value.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2017

1 Accounting policies

(Continued)

Financial liabilities

Trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition.

Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument.

1.10 Taxation

The Academy Trust is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Academy Trust is potentially exempt from taxation in respect of income or capital gains received within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.11 Pensions benefits

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ('TPS') and the Local Government Pension Scheme ('LGPS'). These are defined benefit schemes and the assets are held separately from those of the Academy Trust.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy Trust in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in note 17, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions are recognised in the period to which they relate.

The LGPS is a funded scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the statement of financial activities and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses. Actuarial gains and losses are recognised immediately in other recognised gains and losses.

1.12 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy Trust at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by funders where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder/donor and include grants from the Education Funding Agency/Department for Education.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2017

1 Accounting policies

(Continued)

1.13 Long leasehold

The Academy is recipient of a 125 year lease under a peppercorn agreement between the Academy Trust and the Local Authority for the use of the school land and building. There is no periodic rental or capital sum payable under the Lease. This is accounted for in the financial statements, where a lease transfers substantially all the risks and rewards of ownership of the asset to the lessee, the asset would be capitalised as a fixed asset in the lessee's accounts.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

2 Critical accounting estimates and areas of judgement

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Useful economic life of tangible fixed assets

The useful economic life of tangible fixed assets is judged at the point of purchase.

As standard, a useful economic life of 40 years is applied to long leasehold land and buildings, 7 years for fixtures, fittings and equipment and 5 years for computer equipment.

Impairment of fixed assets

At each balance sheet date, management undertake an assessment of the carrying value of tangible fixed assets to determine whether there is any indication that the value has been impaired. Where necessary, an impairment is recorded as an impairment loss.

Impairment of trade debtors

At each balance sheet date, management undertake a review of outstanding debtor balances and consider whether there is any indication of impairment or any balances requiring provision.

This calculation is based on the financial position of the customers, the payment history and any ongoing discussions.

Valuation of the Local Government Pension Scheme defined benefit liability

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost or income for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 17, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2013 has been used by the actuary in valuing the pensions liability at 31 August 2017. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgement

Classification and valuation of long leasehold land and buildings

The academy's long leasehold land and buildings are held under a 125 year lease and are wholly used in the course of the academy's business and are held within the academy.

At the date of transfer to the academy, the long leasehold land and buildings were measured at their fair, which has been interpreted as deemed cost. Subsequent purchases of land and buildings are initially measured at cost.

Classification of finance and operating leases

At the inception of each lease, management undertake an assessment of the terms of the lease including the payments to be made over the life of the lease, the fair value of the asset subject to the lease, the length of the lease and whether the terms of the lease transfer substantially all of the risks and rewards of ownership.

Based on this assessment, management will determine whether the lease should be classified as a finance or operating lease.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 AUGUST 2017

9 Staff costs (Continued)

Higher paid staff

The number of employees whose employee benefits (excluding employer pension costs) exceeded £60,000 was:

	2017 Number	2016 Number
£60,001 - £70,000 £80,001 - £90,000	2	1

The above employees participated in the Teachers' Pension Scheme. During the year ended 31 August 2017 employer's pension contributions for these members of staff amounted to £34,829(2016: £24,454).

Key management personnel

The key management personnel of the Academy Trust comprise the Trustees and the senior management team as listed on page 1. The total amount of employee benefits (including national insurance and employer pension contributions) received by key management personnel for their services to the Academy Trust was £543,258 (2016: £540,539).

10 Trustees' remuneration and expenses

One or more of the Trustees has been paid remuneration or has received other benefits from an employment with the Academy Trust. The Headteacher and other staff Trustees only receive remuneration in respect of services they provide undertaking the roles of Headteacher and staff members under their contracts of employment, and not in respect of their services as Trustees.

The value of Trustees' remuneration and other benefits was as follows:

P Wilson (Principal and Trustee)

Remuneration £85,000 - £90,000 (2016: £85,000 - £90,000)

Employer's pension contributions £10,000 - £15,000 (2016: £10,000 - £15,000)

C Williams (Staff Trustee) (September 2016 - December 2016) Remuneration £5,000 - £10,000 (2016: £15,000 - £20,000)

Employer's pension contributions £0 - £5,000 (2016: £0 - £5,000)

S Jackson (Staff Trustee)

Remuneration £45,000 - £50,000 (2016: £nil)

Employer's pension contributions £5,000 - £10,000 (2016: £nil)

11 Trustees and officers insurance

In accordance with normal commercial practice, the Academy Trust has purchased insurance to protect Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy Trust business. The insurance provides cover up to £2,000,000 on any one claim.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2017

15 Funds (Continued)

The specific purposes for which the funds are to be applied are as follows:

General Annual Grant must be used for the normal running expenses of the School and any amounts carried forward at the end of a financial period must be used in accordance with the terms of the Funding Agreement. The school is not subject to a limit on GAG carry forward.

Other DFE/ESFA grants comprise additional funding received for the furtherance of education, which must be used in accordance with the specific terms of each grant.

Other government grants include LEA funding for Special Educational Needs.

Other restricted funds include contributions for school trips and other donations and their related expenditure.

The pension reserve represents the value of the School's share of the deficit in the local Government Pension Scheme.

Restricted fixed asset funds include assets inherited on conversion and expenditure out of GAG and other capital grants and donations during the period. Depreciation will be charged against the fund.

17 Pensions and similar obligations

The Academy Trust's employees belong to two principal pension schemes: the Teachers' Pension Scheme England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by The Greater Manchester. Both are multi-employer defined benefit schemes.

The pension costs are assessed in accordance with the advice of independent qualified actuaries. The latest actuarial valuation of the TPS related to the period ended 31 March 2012, and that of the LGPS related to the period ended 31 March 2016.

There were no outstanding or prepaid contributions at either the beginning or the end of the financial year.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2017

17 Pensions and similar obligations

(Continued)

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis - these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014.

The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay (including a 0.08% employer administration charge (previously 14.1%))
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The
 rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is
 5.06%

During the previous year the employer contribution rate was 14.1%. The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS is currently underway based on April 2016 data, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The employer's pension costs paid to the TPS in the period amounted to £311,080 (2016: £326,448).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website.

Under the definitions set out in FRS 102, the TPS is a multi-employer pension scheme. The trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined-benefit scheme, with the assets held in separate trustee-administered funds. The total contributions are as noted below. The agreed contribution rates for future years are 15% for employers and 5.5% to 12.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2017

20 Related party transactions

Owing to the nature of the academy trust's operations and the composition of the board of trustees being drawn from local public and private sector organisations, transactions may take place with organisations in which the trust has an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the trust's financial regulations and normal procurement procedures.

The following related party transactions took place in the period of account.

An Endowment Fund payment received during the incorporation from sponsors Tameside College as part of the original funding agreement for £666,666 was reinvested during the year resulting in interest of £7,894 (2016: £7,709). Endowment interest is held within unrestricted funds, with a preference for these monies to be used for raising aspirations, such as promoting higher education.

Sponsors, Tameside College were paid £15,400 (2016: £15,400) relating to alternative provision and the provision of HR services.

21 Members' liability

Each member of the charitable company undertakes to contribute to the assets of the company in the event of it being wound up while he or she is a member, or within one year after he or she ceases to be a member, such amount as may be required, not exceeding £10 for the debts and liabilities contracted before he or she ceases to be a member.
